Special Instructions, if any:			

Payment Method

Please know that, with the exception of orders placed via an Appraisal Management Company, all appraisals are COD at the time of inspection unless arranged otherwise. If not paid at that time, the appraisal will not be released until after payment has been received. Escrow billing is for approved companies only and we must have a copy on file of the escrow instructions stating that we will be paid at the close of escrow, even if the loan is not funded, before we release the appraisal report.

Thank you for your order request, we look forward to serving your appraisal needs.

If you need assistance or have any other questions, please contact Kim Kelley at 858-367-0246
